2 dated 3rd October 2022 (the “Base Prospectus”), subject to the approval of the National Bank of Romania and in accordance with the applicable legislation.

The Issuer will redeem the Bonds on 18 October 2026 (the “**Redemption Date**”) at their nominal value plus any unpaid and accrued interest on the principal amount of the Bonds up to (but excluding) that date, in accordance with the Final Terms, the Base Prospectus and the applicable legislation.
